

****IMPORTANT NOTICE****

EFFECTIVE AUGUST 1ST, 2008

New Patients for Medical Services:

- Proof of Income is required to apply for Discounted Fee. If you do not provide Proof of Income you will be classified as a full pay Scale E patient and be required to pay a \$75 'minimum fee' prior to being seen. You will be responsible for any additional charges for services received and it is expected that these will be paid on completion of your visit.

Medical Visits:

- **Eligible Patient for Discounted Fee Plan A** patients will be asked to pay a \$20 'minimum fee' prior to being seen or receiving services. *Charges for additional services received will be collected after your visit is completed.
- **Eligible Patient for Discounted Fee Plan B** patients will be asked to pay a \$30 'minimum fee' prior to being seen or receiving services. *Charges for additional services received will be collected after your visit is completed.
- **Eligible Patient for Discounted Fee Plan C** patients will be asked to pay a \$45 'minimum fee' prior to being seen or receiving services. *Charges for additional services received will be collected after your visit is completed.
- **Eligible Patient for Discounted Fee Plan D** patients will be asked to pay a \$60 'minimum fee' prior to being seen or receiving services. *Charges for additional services received will be collected after your visit is completed.
- **Eligible Patient for Discounted Fee Plan E/Full Pay** patients will be asked to pay a \$75 'minimum fee' prior to being seen or receiving services. *Charges for additional services received will be collected after your visit is completed.
- **Insurance/Medicaid/Medicare** co-pay and/or deductible are due prior to being seen or receiving services. This arrangement is part of your contract with your insurance company.

***Please keep in mind that if any procedures are done during the visit (Labs, EKG, X-Ray, etc.) this will result in an additional charge due at time of service.**

Dental Visits:

- **Eligible Patient for Discounted Fee Plan A-E including Full Pay** patients will be required to pay for scheduled services prior to being seen.
- **Insurance/Medicaid** co-pay and/or deductible are due prior to being seen or receiving services. This arrangement is part of your contract with your insurance company.

Emergency Dental Patients:

- Patients arriving without Proof of Income will be required to pay a \$75 'minimum fee' prior to being seen. You will be responsible for any additional charges for services received and it is expected that these will be paid on completion of your visit.
